

Figura

```
classDiagram
    class Figura
    class Circulo
    Circulo --> Figura
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled 'Figura'. Below it is a gray rectangular box labeled 'Circulo'. A dark blue arrow points vertically from the top of the 'Circulo' box to the bottom of the 'Figura' box, indicating that 'Circulo' inherits from 'Figura'.

Circulo
